Legal Notices

- Under the Paperwork Reduction Act of 1995, 44 U.S.C. 3501–3520 (PRA), a federal agency must obtain approval from the OMB for each collection of information it conducts, sponsors, or requires through regulations. This rule does not contain provisions for collection of information, does not meet the definition of “information collection” as defined under 5 CFR part 1320, and is therefore exempt from the requirements of the PRA. Accordingly, there is no requirement to obtain Office of Management and Budget (OMB) approval for information collection.
- Knowing or willful false representations in this submission may constitute a violation of 18 U.S.C. 1001 and are punishable by fine and imprisonment.
- Electronic, PDF, and typed signatures are as effective as an ink signature for this submission.
- Anonymous submissions cannot receive protection under the CII Act. The Regulation requires submitters to provide a signature and contact information with their submissions.
