

The President's National Security Telecommunications Advisory Committee

Committee Member Biography **The President's National Security Telecommunications Advisory Committee**

David DeWalt
Executive Director of the Board
FireEye, Inc.

Mr. David DeWalt is executive chairman of the board of directors for FireEye, Inc. Prior to June 2016, he served as the company's chief executive officer (CEO). He has more than 25 years of experience working for various technology companies, including serving as president and CEO of McAfee, Inc., from 2007 until 2011, until the company was acquired by Intel Corporation. Prior to his position at McAfee, he oversaw EMC Corporation's customer operations, sales, content management, and archiving software business lines. Before joining EMC, Mr. DeWalt was CEO of Documentum, Inc.; founding principal and vice president of Eventus Software; and held various executive positions at Quest Software, Inc., Segue Software, Inc., and Oracle Corporation. Mr. DeWalt is also vice chairman of the board of directors for ForeScout Technologies, Inc., and serves on the boards of directors for Delta Air Lines, Inc., and Five9, Inc. He holds a bachelor's degree in computer science and electrical engineering, as well as an honorary doctor of science degree from the University of Delaware.
