

The President's National Security Telecommunications Advisory Committee

Committee Member Biography

The President's National Security Telecommunications Advisory Committee

Raymond Dolan
President and Chief Executive Officer
Sonus Networks, Inc.

Mr. Raymond Dolan is the president, chief executive officer (CEO), and a member of the board of directors of Sonus Networks, Inc., positions which he has held since 2010. He has extensive experience in technology development, field operations, marketing, and general management in the wireless industry. Prior to joining Sonus, Mr. Dolan was CEO of Qualcomm/Flarion Technologies and senior vice president of Qualcomm from 2006 to 2010. Before Qualcomm's acquisition of Flarion Technologies in 2006, he served as the CEO and chairman of the board of Flarion Technologies. Prior to that, Mr. Dolan worked as the chief operating officer of NextWave Telecom and held various leadership positions at BellAtlantic/NYNEX Mobile. He is currently a member of the board of directors for the American Tower Corporation. Mr. Dolan is also a veteran of the U.S. Marine Corps, where he served as a tactical jet pilot for more than seven years. He holds a bachelor's degree in mechanical engineering from the U.S. Naval Academy and a master's degree in business administration from Columbia University's School of Business.
