

# NATIONAL INFRASTRUCTURE ADVISORY COUNCIL (NIAC)

NIPP 2013 CEO ENGAGEMENT WORKING GROUP  
14 NOVEMBER 2014

Michael Wallace, Chair

Former Vice Chair and COO, Constellation Energy  
Center for Strategic and International Studies (CSIS)

# AGENDA

---

- Tasking Summary
- Working Group Members
- Data Collection Update
- Timeline

# TASKING SUMMARY

---

Provide a report to the President that offers perspective on CEO or equivalent senior executive decision-making roles and contributions to a public-private partnership or coordination activity, the benefits and challenges of such engagement, and criteria for effective sustainability, when required.

- The Final Report should also include a NIPP CEO Summary as a model for effective CEO-level communication.
